

Beautify your yard and protect your local environment with native plants.

SATURDAY, MAY 11, 2019
10:00AM TO 4:00PM - RAIN OR SHINE
AT PETER WENTZ FARMSTEAD

The Conservancy will be selling over 130 different native species of perennial flowering plants, ferns, vines and grasses in 4 inch pots. Prices will range from \$4 - \$20. Behmerwald Nursery will be joining us to sell a wide variety of native trees and shrubs.

In 2018, the Native Plant Sale also featured a free Wildflower Walk and a fun Downspout Planter Workshop.

Stay tuned to see what fun events we have in store for 2019!
