

*Mayor of Souderton Dan Yocum*  
*Mayor's Memo!*

Souderton Borough has great office staff. And let me tell you, it is a TOUGH job! Rarely do folks call their municipality to give compliments. When Borough Council makes an unpopular decision. When the trash company misses a pickup. When Souderton Pool closes due to rain. These are the men & women on the other end of the phone & computer doing their absolute best to hear your concerns and help whenever possible. I commend them, and sincerely thank them for their service to our community.

Our staff had very little change over the decades, but after a few retirements in the past several years, we now have a unique mix of long-tenured and newer staff. Sage wisdom and fresh ideas. It is an exciting time in the Souderton Borough Office!

You should know who they are. Not only because your tax dollars pay their salaries, but more importantly because they are good local people with your best interest at heart. They keep our community running smoothly, and they make my job as Mayor easy.

And now, without further ado, here is the dynamic staff of our Souderton Borough Office!
