

NORTH PENN WATER AUTHORITY CUSTOMERS:

ANNUAL HYDRANT FLUSHING

Our Annual Flushing Program will begin on March 28th and run through May 23rd, weather permitting. Here is a full list of tentative dates and locations:

March 28th through April 15th

Lansdale, Hatfield & New Britain Boroughs
Hatfield, New Britain & Upper Gwynedd Townships

April 15th through May 16th

Skippack, Worcester, Lower Salford, Salford,
Franconia, & Towamencin Townships

April 25th through May 14th

Sellersville Borough

May 16th through May 23rd

Souderton Borough
Hilltown Township

Flushing is done at night between 8:00 p.m. and 4:00 a.m. and during the day between 8:00 a.m. and 3:00 p.m. As a result, some customers may notice discolored water and/or lower than normal water pressure. If discoloration occurs, run cold water for about 10 minutes and your water should clear up.

Annual inspection and flushing of fire hydrants increase public safety by ensuring that hydrants will function when necessary and also improves water quality.
